Fairytales Dancers - summer program

This week long dance 'camp' gives your little dancers a one hour dance class, with creative movement & primary dance skills. Students then have snack as they watch a story ballet (video), and learn about dance history, nutrition & exercise. They work on crafts and coloring pages related to the story ballet. At the end of the week dancers bring home a scrapbook of all their craft and enrichment activities.

age 3.9 as of June 1, (pre-k thru grade 1)

price includes snack & water
