

The Andover School of Ballet

14 Park Street, 2nd floor – Andover, MA 01810 - (978) 475-5919

Thank you for being part of our dance family!

For over 45 years, *The Andover School of Ballet* has been a highly respected studio of dance education. We want to thank all of you for choosing our studio and making it possible for our instructors to do what we **love** doing – **teaching dance!** Through your dedication to and support of your children, you are offering them the opportunity to explore the art and physicality of dance. The experience and discipline learned in dance will help them in many ways through their lives.

We hope that all of you will have a positive experience at our studio and we welcome any suggestions that you may have. If you ever have a question or concern, we will be happy to speak with you. We value your feedback! Thank you.

Tabitha Rodger, director, and *The Andover School of Ballet* Staff

General Studio Information for Parents and Students

DRESSING FOR DANCE CLASS:

We feel it is an important part of the discipline of dance to have a **class uniform** worn by all the students in a class / level (the only exceptions to dress code are *Rhythm & Movement* and *Adult* classes). Please refer to the **Class Uniforms** list under “**Studio Information**” on our website to find the exact items your child needs for class. Once you have the proper attire, students must wear it to every class. If you are unsure about the fit of dance shoes, please **keep your receipts, don't wear the shoes** so they stay clean, and ask your **teacher** to check them on the first day that you attend dance class. Teachers will check the fit of shoes for all students aged 3 to 7 years-old during the first week of classes. After the shoes have been checked by ASB staff, we ask you to write your child's name or initials inside of all their shoes and inside their dancewear (on the tag) with a **permanent marker**. All dance shoes, leotards and tights look alike when left behind but can be identified if they are labeled! Each Dancer should have a personal dance bag for their dance shoes & attire so they can keep their items separate from other's belongings.

HAIR, JEWELRY, SHOES:

- ☐ **Hair:** In keeping with the traditions of dance, long hair must be pulled back and up and short hair secured off the face and neck. Please make secure ponytails in long hair for **Kinderdance, Primary Dance, and Jazz/ Tap/ Modern/ Contemporary/ Lyrical Dance** classes. For **Kinderdance (3-4 year olds)** we will work gently with the young students to help them get used to this. **For Ballet Level 1 and above (i.e. usually academic grade 2 & up)**, girl's long hair must be secured in a Ballet Bun using hair elastics, bobby pins, and hairnets / crocheted bun covers. Boys' hair should be either neatly trimmed or pulled back for all classes. *There are important practical reasons for this, as well as aesthetic ones. Learning fast dance turns with hair whipping into your eyes is dangerous! Since body alignment is critical in dance, the instructor must be able to see the line of a student's body from the head down to the feet. All dancers must always carry the necessary hair supplies in their dance bag.
- ☐ **No Jewelry** may be worn in dance class (students with pierced ears may wear stud earrings, but no dangling earrings, no bracelets, no necklaces). Please be prepared to remove your jewelry and store it safely in your dance bag.
- ☐ **Dance shoes** should not be bought with extra “room to grow”, as shoes that are too big can cause the dancer to trip. Jazz Shoes and Tap Shoes should be tied tightly before class, so they do not come undone during class.

ENTERING THE LOBBY AREA...

We ask that you enter our lobby **quietly** and keep the noise level down while classes are in progress. Once class begins, parents may feel free to do any errands, but please return about 5 minutes before your child's class ends to pick her/ him up. Our lobby is small, so please feel free to leave, unless you feel that your young dancer needs you there.

OUR FACILITY:

To keep the space Clean, Comfortable, and Safe:

~ **NO** Food, Gum, Drinks, **except Water Bottles**, may be brought into the waiting area, dressing rooms, or studios.

~ No snacks with Nuts

~ **Please keep the dressing room tidy** by **neatly folding** your outdoor clothes and placing them out of the way **inside a cubby**, or in another area, such as under a chair with coats on a hanger. Please do **not** leave your items **on top** of a seat/ bench/ cubby nor in the middle of the floor. **Parents – we ask you to please teach your students to take care of their belongings in this way to minimize the loss of personal items and to allow others to have a place to sit down and change in the dressing room.**

~ **Please** remember to take ALL of your belongings with you when you leave each day.

IF YOU ARE LATE FOR CLASS:

We understand that being late is sometimes unavoidable for all of us. However, we run our classes on time and cannot hold a class for tardy students. Students who are late for class should change shoes/clothing, **use the bathroom**, wash hands, then **wait outside the studio door**, watching until **the music and dancing stops**, before opening the door and entering quietly. **For safety reasons, and out of respect to the focus of the class and the teacher, do not enter while an exercise is in progress.** In our higher-level dance classes, a student who is *more* than 10-15 minutes late may be asked to sit and observe rather than take the class. The final decision on this is at the discretion of the teacher. Please know that this policy is **not** a disciplinary measure but is done with the student's best interests in mind. Any student who misses the first few crucial exercises in a class runs the risk of injury by not being correctly warmed up in the specific dance technique. ***We want to be sure that parents & students understand that we have this policy because we care about the student's welfare!***

OBSERVATION OF CLASSES:

We ask parents to be careful about looking through the window into the studio while a class is in progress, as this can be a distraction to the students and the instructor. We wish all students to be able to focus and learn in their classes. If your child is looking at you through the window, we ask you to please step back to allow them to focus on the class. **Two Parent Peek Weeks** will be held during the school year when a **parent** is invited into the classroom to observe their child's regular class(es) and see their progress. If there is a special reason that the teacher needs you to observe at any other time, you will be invited to watch.

MISSED CLASSES:

Consistent attendance is important to the progress each student makes through our curriculum. Any student who misses a class for any reason is encouraged to take a make-up class at her/his convenience, and we would ask you to make-up your missed classes within one month of the week in which they are missed. Take another class of the same level as your missed class during the week, or you may take a class at the next lower level as a make-up class, which will help to reinforce your dance technique. Please note that it is your responsibility to make-up any missed classes. If you are confused, ask your teacher or the director which class would be right for you to use as a make-up class, then email the director to give a date for your make-up. Always check in as a "make-up" student when you arrive for that class, by giving your name, and telling us the class day, time, and level for the class that you missed.

PICKING UP STUDENTS AFTER CLASS:

Students should be picked up promptly after class. Please discuss your pick-up preferences with your student, so they know what to expect. We do not want younger students to go outside the building to wait, so please make sure you tell them to stay **inside** our door until they see you drive up. Parents of 3- to 7-year-olds (Preschool – grade 1) should come inside and upstairs to pick up their children. If you are going to be more than 5 minutes late for pick up, please call the studio to let us know. **Please note whether your child's class is the last class of any day as this means the studio and building will be closed & locked right after that class, so prompt pick-up is essential!**

WHEN THE WEATHER IS BAD:

In case of inclement weather, ASB will make our own decision: We **MAY** hold dance classes when public schools are canceled for a winter storm, **so please check.** A text will be sent if classes are cancelled. You may **Call the Studio about 1 hour before your class** to see if our classes will be held. **Also** check our **Facebook/Instagram** pages and check your email for cancellation notices. In a power outage, our studio phone & answering machine will not function. A specific dated message will be on the studio answering machine if the day's classes are cancelled. If you choose not to drive to your scheduled class in bad weather, you may take a make-up class. See Missed Classes above.

STUDIO CALENDAR & TUITION:

(1) Our **complete dance studio calendar** of observed holidays and other pertinent dates is on our website under "**Studio Information**", "**Calendar**". Please note that OUR studio "days off" may be different than the academic school system's "days off".

(2) Our dance curriculum is designed to build and expand throughout the entire school year, and a student will make the best progress by having consistent attendance throughout the entire school year. Please refer to our website's "**Studio Information**", and "**Parent Information**" for more information on our curriculum.

(3) **Tuition** for our classes is divided into 9 equal monthly installments for the school year and is based on the number of hours per week in which a student is enrolled. The hourly rate is discounted as a student takes more hours per week. **Please refer to our website's "Studio Information" for more information on "Tuition Policies", withdrawal policies, and more.**

Thank you for your attention. We are looking forward to a wonderful dance school year!
