Policy Statement

At Coteq Support Services we are committed to operating in an environmentally responsible and sustainable manner. We recognise our responsibility to minimise our environmental impact and continually improve our environmental performance as an integral part of our business strategy and operations.

Our Commitments

We will:

1. **Comply with Legal and Other Requirements**
Ensure compliance with all relevant UK environmental legislation, regulations, and other applicable requirements related to our activities, products, and services.
2. **Prevent Pollution**
Take proactive steps to prevent pollution by managing waste, reducing emissions, and controlling potential pollutants arising from our operations.
3. **Resource Efficiency**
Promote the efficient use of energy, water, and raw materials. We aim to reduce our consumption and increase the use of renewable or recycled resources where feasible.
4. **Waste Management**
Reduce, reuse, and recycle waste wherever possible. We will dispose of all unavoidable waste in a responsible and legally compliant manner.
5. **Sustainable Procurement**
Consider environmental criteria when selecting suppliers and materials and encourage environmental responsibility throughout our supply chain.
6. **Continuous Improvement**
Set and review environmental objectives and targets regularly. We will monitor our performance and seek opportunities to reduce our environmental impact through innovation, employee engagement, and continual improvement.
7. **Employee Involvement**
Promote environmental awareness among staff through training and involvement, encouraging a culture of sustainability throughout our operations.
8. **Community and Stakeholder Engagement**
Work cooperatively with customers, local communities, and other stakeholders to promote environmental best practices and transparency.

Scope

This policy applies to all activities conducted by Coteq Support Services at our premises and at customer sites, where applicable.

Monitoring and Review

COTEQ Support Services compliance manager is responsible for monitoring the effectiveness of this policy and will review the implementation of it on a regular basis, or in response to a significant business change. They will assess its suitability, adequacy, and effectiveness.
