Smell the Popcorn

12 Life-changing Steps to POP TO THE TOP and Beyond

Book One of the Pop to the Top Series Essential Life Lessons with Common Sense Values

"When it comes to the heat of adversity, Champions are forged by the fire while the others are consumed by its flames." The Popcorn Destiny

Be it at a movie theater, a sporting event, or home, when I smell popcorn, I know a special treat is ready to be enjoyed.

In the same way, when the seeds of our potential, like kernels of corn, are transformed by the heat of adversity to *Pop to the Top™*, we metaphorically *Smell The Popcorn™* of our success.

Popcorn starts with a tiny kernel that expands when faced with extreme heat. In the same way, we can seize our opportunities of success by being transformed by the heat of our adversities.

Our response to these character defining life events determines if we are going to pop to victory or stagnate in the mess of mediocrity.

Through insightful stories, humor, Scripture, and practical wisdom, this book offers essential leadership strategies to *Pop to the Top™* through 12 life-changing secrets.
