

Artists from the Last Mountain Lake communities are invited to submit works to Kristin Teetaert, Program Director, and the Gallery Committee for the showing and sale of works of art and craft from the many talented creators who live here.

This year, there are 2 options for showcasing your work!

The 7th Annual Art show and Sale will be on exhibit in the Elsie Scherle Gallery from October 27 to December 2, with the works of art being for sale.

In addition, we would like to announce our third annual fine craft market, Happening December 2 in conjunction with the Regina Beach Farmer's Market (next door at the school)

Please submit:

- which option you would like to participate in (or both)
 - a brief description of your work, including dimensions for the Art Show and Sale (if applicable)
 - up to 5 images of work to be considered for the exhibition and/or Market
- to: art@lmlcc.ca; or drop off at the LMLCC – 133 Donovel Cres
no later than **OCTOBER 23, 2018.**
