Writ Petition (C) No.662 of 2018

"....6. In view of the facts and circumstances of this case, we are of the considered opinion that without going into the competence of the MCI in conducting the second inspection after invoking Regulation 8(3)(1)(c), the Petitioner-College is entitled for enhancement of intake from 60 to 100 seats for the fourth batch of MBBS course for the academic year 2018-2019. It is not in dispute that the Petitioner-College has rectified the defects pointed out by the MCI in its first inspection prior to 30.05.2018.

..... The first Respondent is directed to grant permission to the Petitioner-College for enhancement of the intake of students from 60 to 100 for the academic year 2018-2019."

Writ Petition (c) No.735 of 2018

"...Except for the fact that the renewal for the enhanced intake of 100 seats is for the third MBBS Course, this Writ Petition is similar to Writ Petition No.662 of 2018. Therefore, the Government of India is directed to enhance the intake of the Petitioner-College from 50 to 100 for third MBBS course for the academic year 2018-2019.

We are also informed that there are five other colleges who are similarly situated to the Petitioner-Colleges in Writ Petition (C) No. 662 of 2018 and 735 of 2018 which are as follows:
