- 6. In the admission form, after category option comes an option about belonging to SC/ST/OBC what does that mean?**
  - SC/ST/OBC stands for Schedule Caste/Schedule Tribe/Other Backward classes. Other candidates can select general.

## Nursing

**7. I had applied for admission for B.Sc nursing in 2020 but when I tried to apply now with same Gmail ID it says that I've already registered.**

- Option 1: Register with same email id and complete the verifications and OTP required
- Option 2 : Register with new email id and proceed

**8. Can married candidates apply for nursing**

- YES

**9. Can male candidate apply for nursing at St. John's**

- NO

**10. Is Karnataka Nursing council registration mandatory for PBBSc & MSc admission**

- NO it is not. You need to be registered with any one state nursing council.

**11. Is hostel stay compulsory**

- NO

**12. If I have not appeared for any one of the PCB (Physics, Chemistry & Biology) subjects am I eligible for admission**

- NO, all three subjects are mandatory along with language English.

**13. Can foreign students apply**

- YES (after obtaining eligibility from RGUHS and equivalence certificate from Indian Nursing Council).

**14. Are PBBSC & MSC at St. John's part time courses**

- NO, they are full time courses, candidate cannot be employed anywhere while undergoing the course.

## Allied Health Science

**15. In the Allied Health Science B. Sc application form how do I select a course in admission form**

- This application is for all the B. Sc Courses (MLT/MIT/RT/RDT/AOTT/PT). There is no option to select a course. At the time of admission, seat counselling for the above mentioned branches will be done in merit order. The Counselling will be telephonic/onsite depending on the COVID safety norms

**16. Since 12th exams are cancelled so on what basis does physiotherapy admissions will take place?**

- The Selection Process for Allied Health Science courses normally involves an Entrance Test and Interview. However, because of the COVID-19 Lockdown related issues, the selection process for the academic year 2021-22 will be as per Institutional and University policies and based on the marks obtained by the candidates on the available relevant qualifying exams (Standard X and Standard XII for graduate courses and previous degree courses for the Masters' programmes). Selection for the Masters' programmes will include an online interview, the dates of which will be intimated later.
