

Acalanes Baseball Sponsorship

www.acalanesbaseball.org

Acalanes High School baseball is funded almost entirely by the generosity of the family and friends of the players. To fund the operating needs of the program, including facility maintenance and improvements, we are seeking business sponsors for the first time. The Acalanes Dons baseball team had an amazing season in 2024 finishing with a 23-4 record, and reaching the semi-finals of the North Coast Section Championships where they lost to a team ranked 14th in the country. The number of fans attending the games last year brought a lot of energy and made the season even more exciting for the players.

We have designed three sponsorship levels that will each provide your business with different levels of promotion on our brand-new website and social media presence, as well as at the Acalanes Baseball field. We are also planning a first ever baseball program/media guide where all sponsors will be acknowledged*.
