THE JUSTICE FUND

Portfolio Update
Middle of 4th Quarter 2023

Investment Philosophy:

The Justice Fund is a long-only investment fund founded in January 2022 by Ethan Deitcher (edeitcher@gmail.com). The Fund invests in equities anticipated to be favorably impacted by Supreme Court of the United States (SCOTUS) proceedings and decisions. The Fund evaluates the SCOTUS case docket and researches case relationships to markets, industry sectors, and individual companies. The fund relies on its insights into legal precedents, SCOTUS dynamics, and political bellwethers. The Fund is growth-oriented and maintains a comparably moderate-to-high risk profile.

Key Cases and Rulings:

- Gonzalez v. Google LLC
  Issue: Are interactive computer services liable when making targeted recommendations of another party's content?
  Prediction: Google would win due to Republican support of free speech, benefiting the social media industry.
  Outcome: Added to the docket on 10/03/22, is set to be argued on 02/21/2023, and was remanded on 05/18/2023.
  Timeline: The first investment was made on 12/27/22.
- Cantero v. Bank of America (BofA)
  Issue: Does the National Bank Act (NBA) preempt the application of state escrow-interest laws to national banks?
  Prediction: BofA would win due to the supremacy clause and the potential for significant interference of bank powers.
  Outcome: Added to the docket on 10/13/23, is not yet set to be argued, and remains undecided.
  Timeline: The first investment was made on 11/02/23.

***: Held since 12/27/22**
****: Held since 11/2/23**

Fund Mechanics:

The Fund will accept new investments until January 4th, 2024, at 12:00 a.m. The minimum investment amount is $250.
No withdrawals within one year of initial and subsequent investments.
The Fund reserves the right to force redemption at any time.
The Fund receives reward-based compensation of 20% of gross profits plus any applicable and paid taxes.
Due to the nature of investing based on the SCOTUS schedule, money is handled differently for each individual and their investment date. Thus, individual rates of return vary.
