This architectural site plan illustrates the layout of a property and its surrounding area. The property is bounded by a road to the west and a property line to the east. The residence, shown in grey, is located on the eastern portion of the property. An attached garage is shown to the right of the residence. A large, irregularly shaped area, likely a proposed driveway or construction zone, is outlined in black and filled with a dark grey. To the left of this area, an existing driveway is shown with a grid pattern. The property line is marked with a dashed line and labeled 'EXISTING PROPERTY LINE'. A road is shown to the west of the property. A grid system is overlaid on the plan, with labels for 'EAST', 'WEST', 'NORTH', and 'SOUTH' indicating cardinal directions. A north arrow is located in the bottom right corner. The plan also shows several circular features, possibly trees or shrubs, and some internal structures within the residence area.
