### PERMISSION SLIP FOR WALKING TO TERRITORIAL PLAZA

Dear parent/guardian

We are planning to walk as a group to the Territorial Plaza. It is a 10 minute walk, with only one major street being crossed. There is a sidewalk the entire way from the school to the splash pad.

The walk over to the splash pad at Territorial Plaza will be an outing that we maintain ratio of teacher to students. Since this is a public location, we cannot guarantee that no other families will be present, but we will follow all field trip procedures to make sure we are taking all the necessary precautions.

Regards,

Mehgan Griffin
