facing Prostate Health Concerns

Our GOAL is to enter 2025 with renewed PROMISE and HOPE for many men, families, and Partners

- * Men with prostate cancer virtually equal the number of women with Breast Cancer
 - Prostate Cancer receives less than 50% of the financial support for Breast Cancer
- * 1 in 8 men will be diagnosed with prostate cancer

Your Financial and Spiritual contributions are key to our successes

THANK YOU, from David G. Morse...and all of us

OUR MISSION: *The mission of The Sarasota Prostate Initiative is to increase awareness of options available to men with prostate disease, and to guide and support them through their odyssey.*

Significant strides have been made by Sarasota Prostate and Men to Men over the past few years:

- 35 years of continuous operation from 1989 at Sarasota Memorial Hospital – later at HCA Doctors' Hospital in Sarasota, and...
- ...assistance with Support Groups in Lakewood Ranch, Clearwater, Venice, Pt. Charlotte, Tampa.
- 4000+ men and partners have attended in person and, since COVID, also by ZOOM.

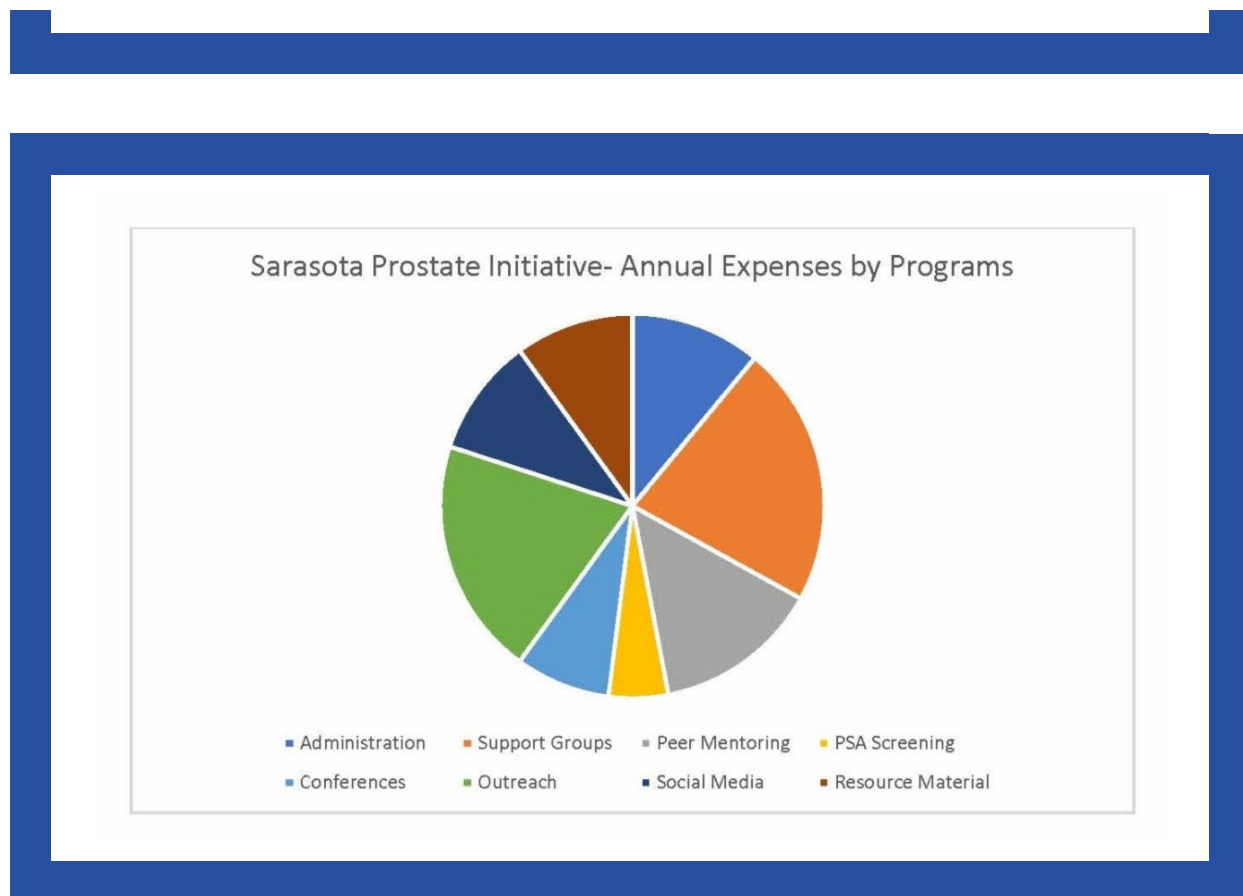

- 450+ men have been given Free PSA Screenings since 2021 at our clinics.
- 95 men are enrolled in Peer to Peer Mentoring services.
- 5200+ men and partners attended Health Fairs for SPI information and consult.

- Over 30 Doctors made monthly in-person presentations and answered questions.

- Medical disciplines presented include: Urology, Radiation Oncology, Hematology Oncology, HIFU, Cryotherapy, Cyberknife, Acupuncture, Physical Therapy, others.
- National affiliations with ZERO Prostate Cancer, Prostate Cancer Research Institute, American Cancer Society, others.
