

**MONDAY the 20th at 2PM**

**DR. DWIGHT L. FITCH**

A skilled researcher and author of many scientific articles published in peer-reviewed journals, **Dr. Dwight L. Fitch** is a board-certified radiation oncologist who has been treating patients in the Bradenton-Sarasota area for 16 years.

Dr. Fitch earned a Bachelor of Science degree in chemical engineering at the University of Michigan and began his career at Dow Chemical and Proctor & Gamble, where he conducted research in material applications and fluid dynamics. However, he later decided to change paths and pursue a career in medicine, ultimately earning his Doctor of Medicine degree at the University of Michigan. Dr. Fitch completed his residency in radiation oncology at William Beaumont Hospital in Detroit, where he served as chief resident in his final year of training.

He is a member of the Manatee County Medical Society, the National Medical Association, American Cancer Society and Omega Psi Phi Fraternity.

Outside of work, Dr. Fitch loves travelling and spending time with his wife, Jill, and six children. He also is a volunteer mentor with The Brotherhood of Men, serving as a positive role model for the next generation of leaders.
