EXCITING \$\$\$\$\$ NEWS: To provide a foundation for our operations, we recently received a generous private donation for \$10,000. It is important that we put this opportunity toward gaining the best results for all of our followers. Toward that end we are seeking matching grants from \$10.00 to \$500.00 to reach a final goal of \$20,000. Just click on the "Click **HERE** to DONATE" button above for our 2024-2025 program success!!!
