***"The IMPORTANCE of GENETICS and TESTING for prostate health"***

**Nicole Wood, MS, CGC**

Nicole Wood, MS, CGC, is the only licensed and board-certified genetic counselor serving Sarasota County and its surrounding communities.

Specialty trained in oncology genetic counseling, Wood works closely with a multidisciplinary team to coordinate and provide expertise for patients' clinical care. Her patient-centered approach enables her to empower her patients by arming them with the tools and information they need to make educated decisions in the best interest of their health and their families.
