**Guest Speaker: Rachelle Amanda Rodriguez,
MS, APRN, AOCNP Genitourinary Oncology.**

Currently serving as the APP Manager at Moffitt Cancer Center, she oversees a multidisciplinary team of APRNs and PAs across surgical, medical, and procedural domains, with over two decades of clinical experience

She is a published author in oncology nursing journals and a frequent invited speaker at national and institutional forums. Her clinical expertise and leadership is recognized through multiple nominations for Advanced Practice Professional of the Year at Moffitt Cancer Center.

Rachelle holds advanced certifications in oncology nursing and healthcare leadership, with additional training from Stanford and Cornell Universities.
