

## **Warranty Coverages**

### **MEDICAL AND COMMERCIAL**

RX is warranted to be free of manufacture defects for two (2) years from the date of purchase. Covered defects include: yellowing, cracking and delaminating. This warranty does not extend coverage to damage caused by normal wear and tear, accidents or intentional damage of any kind.

### **PERSONAL OR NON-COMMERCIAL**

RX is warranted to be free of manufacture defects for five (5) years from the date of purchase. Covered defects include: yellowing, cracking and delaminating. This warranty does not extend coverage to damage caused by normal wear and tear, accidents or intentional damage of any kind.

### **CLAIMS PROCESS**

To file a claim, contact the Authorized XPEL Installer who performed the installation. In the event you are unable to contact the original Authorized XPEL Installer, for any reason, please contact XPEL at (800) 447-9928 or [support@xpel.com](mailto:support@xpel.com). You must retain this warranty card, a copy of your original receipt identifying coverage areas and remit to XPEL as requested to process your claim. For valid claims, XPEL will have an Authorized XPEL Installer remove and reapply XPEL Protection Film to areas determined to be covered by the warranty including parts and labor.

### **LIMITATIONS**

The warranty and remedies described above are the exclusive warranties available. Authorized XPEL Installers do not have authorization to modify or extend the warranty

in any fashion. XPEL will be solely responsible for determining the validity of all claims and reserves the right to deny claims that do not meet the criteria as described above. The replacement of the defective film, including parts and labor, is the exclusive remedy; liability does not extend to any other damages, incidental, consequential or otherwise. Reimbursement for labor charges covered by this warranty will be made directly to the Authorized XPEL Installer and will be calculated by using the coverage allowance published by XPEL.
