Who is the course for?

The Focus Awards Level 5 Diploma in Laser Tattoo Removal is an advanced qualification that has been specifically designed for learners wishing to become a qualified Laser Tattoo Removal Practitioner or for professionals wishing to upskill their previous certification.

What are the entry requirements?

- We accept learners aged 16 and over.
- A level 3 beauty qualification, a level 3 award in anatomy & physiology or occupational competence in tattooing.
- You will also need a good understanding of English to complete your consultations and assignments

What will the course cover?

- The health and safety precautions to ensure the safe operation of Laser Tattoo Removal
- Managing safe working practices, how to identify and control hazards in a Beauty Salon or Clinic environment
- How to complete a full consultation checking for contra-indications, when to avoid, when to obtain GP's approval and how to complete consent forms and logbooks
- How to prepare your client and perform a Test Patch, this will include giving aftercare and homecare
- How to identify skin types using the Fitzpatrick scale
- How to estimate how many treatments your client may require
- Understanding how to work with safe parameters for effective results and the time required between treatments
- Relevant anatomy and physiology.
- How to work on blue/black and colour tattoos
- Techniques to perform laser tattoo removal
- How to deal with adverse reactions
- Pricing guidance
- **Free Laser Carbon Facial workshop**
- Live demonstrations and hands on practical working

Will I be expected to complete work in my own time? (Home-study, practice & case studies)

Structured, supported self-study will be expected from all learners. You will have assignments to complete as evidence of knowledge & understanding. The course is designed to ensure you have plenty of time to complete your assignments. Theory will include the following units:

- **Advice Skin Science**
- **Aesthetic Practice Core Knowledge**
- **Provide Investigative Consultation and Advanced Skin Assessment**
- **Laser Tattoo Removal**

What do I need, for this course?

You will need access to a phone with a camera, also a laptop, computer, or tablet. You will need to wear a white tunic or polo shirt, black/white trousers, and closed shoes. **You will need to bring a model with a blue/black and a model with a coloured tattoo with you for your final practical exam.**

What is the cost of the course? Are there any additional costs?

- £1,995 A deposit of £250 is required (Balance required 14 days prior to the course)
- Upfront payment £1,895
- Flexible Payment Options are available.

How long is the course?

This is a part-time course. Many Learners complete the course in 12-14 weeks. We like to ensure that you have plenty of hands-on experience, so if you feel that you require extra practical sessions, this can be arranged for you. You will be required to submit your assignments, attend your practical sessions and your exam day to complete the course and gain your certification. Refresher training can be arranged.

What are my employment prospects with this qualification?

Our qualifications enable you to work from home, mobile, beauty salons, spas, clinics, and your own business offering the specialised treatment(s) that you have completed. You can start earning by offering treatments to paying clients as soon as you have obtained your insurance. Please check with your local borough before enrolling onto our accredited courses, if you wish to work from home or mobile.
