Accreditation Verification Statement

Level Up Scholars Academy (LevelUSA) delivers its academic program through the **Acellus Learning System**, operated by **Acellus Academy**, which is fully accredited by the **Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC)**. Acellus Academy's accreditation confirms that its academic programs meet the established standards for quality, integrity, and continuous improvement in K–12 education. All courses, grading, and academic records for students enrolled through Level Up Scholars Academy are maintained within the Acellus system and fall under the scope of **Acellus Academy's current accreditation**. Diplomas and transcripts issued to graduating scholars of Level Up Scholars Academy are covered under this accreditation. Verification of accreditation may be found on the WASC website and at https://www.acellusacademy.com/accreditation.
