Dear Mr Cozzi,

I would like to thank you for the excellent work completed at St Cecilia's CofE Primary School. The quality of the work was of a very high standard, and the children absolutely love playing the various games and activities. The new markings have truly transformed our playground and created an engaging and vibrant play space for our pupils.

I particularly appreciated the professionalism and open communication from Mr. Cozzi throughout the project. Despite the works taking place during the school day, everything ran smoothly with minimal disruption to staff and pupils.

I would highly recommend Surface Markings and Mr. Cozzi to any school or organisation considering playground markings. Their attention to detail, quality workmanship, and customer care were exceptional from start to finish.

Kind regards

Richard Thomas

Head of School
