## *Welcome to Surface Markings*

With over 30 Years of experience in the Road Marking Industry.

At Surface Markings, we believe playgrounds are more than just spaces — they're where imaginations come to life, skills are developed, and friendships begin. With three decades of experience, we specialise in high-quality thermoplastic markings that transform ordinary tarmac into vibrant learning and play zones.

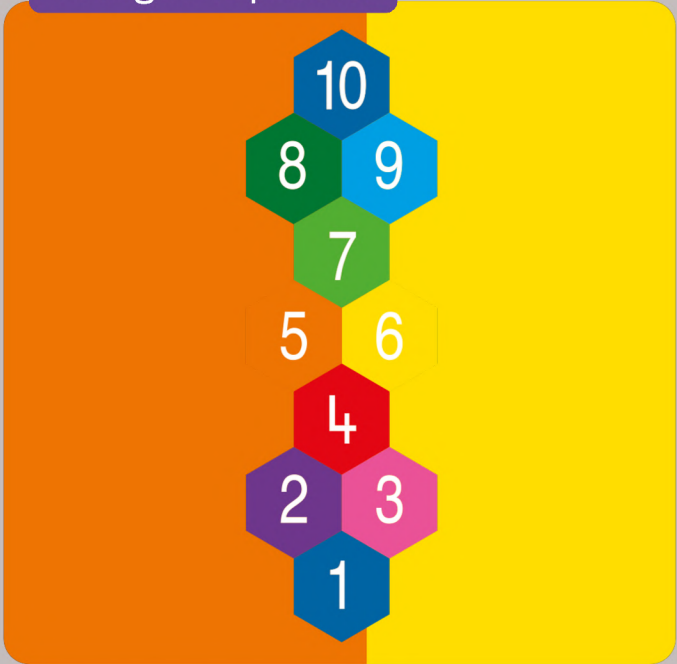

Whether you're looking to inspire movement with classic games, promote learning through educational designs, or create a custom layout tailored to your school — we've got you covered.

Durable. Safe. Creative. Fun.  
Let's bring your playground to life.
