CHEMEHUEVI INDIAN TRIBE

PUBLIC NOTICE

****FOR IMMEDIATE RELEASE****

January 26, 2026

Federal Court Orders Havasu Water Company to Stop Trespassing on Tribal Land

The Chemehuevi Indian Tribe ("Tribe") is informing Tribal Members and the Havasu Lake community about an important federal court order that affects Havasu Water Company ("HWC") and its facilities.

On January 8, 2026, a federal court ordered HWC to stop trespassing on the Tribe's reservation trust lands. The court confirmed that HWC has no legal right to be on Tribal land and must remove HWC's trespassing property or leave it behind.

Water service will not be shut off immediately. The Tribe has agreed to give HWC until June 15, 2026, to stop operating on the Tribe's land and to remove its infrastructure and equipment or abandon it. Beginning June 16, 2026, any HWC property still on Tribal land will be considered abandoned and may be removed by the Tribe. **Updates will be shared as more information becomes available.** At this time, the Tribe has chosen not to pursue financial damages to avoid adding costs that could affect HWC's customers.

The Tribe will work with regulators and responsible agencies as appropriate, while fully protecting Tribal sovereignty, to support access to dependable water services. The Tribe's goal is accountability, safety, and better access to clean water for the community. However, the Tribe is not responsible for any problems that HWC's customers may have experienced with HWC providing safe and reliable water service.

This order protects the Tribe's right to control its land and hopefully brings an end to almost twenty years of trespass by HWC against the Tribe. It is separate from the California Public Utility Commission's formal adjudicatory investigation into HWC.

HWC's permission to use the Tribe's land expired in 2006. Despite repeated warnings, years of attempted negotiations, and direction from federal agencies, HWC continued trespassing on the Tribe's land. During this time, HWC's water system seemed to experience boil water advisories, pressure loss, and ongoing regulatory issues.

The Tribe did everything possible to ensure no disruption to water services, including attempting to negotiate a settlement with HWC for years despite the ongoing trespass. After nearly two decades of these efforts, the Tribal Council determined that a clear court order was necessary to protect Tribal land, sovereignty, and community health.

Contact

For questions, Tribal Members may contact Tribal Administration.

Water customers should contact Havasu Water Company for billing questions, the California Public Utilities Commission for rate and service concerns, and the U.S. Environmental Protection Agency for drinking water quality issues.

MEMORANDUM

To: Chemehuevi Tribal Members
From: Chemehuevi Enrollment Department
Date: 2/10/2026
Subject: Availability of Tribal Identification Cards

Please be advised that the Enrollment Department will not be issuing tribal identification cards at the Annual Membership Meeting on April 24 - 25th, 2026. This is due to Enrollment Department staff fulfilling official duties in service to the Tribal Council.

Tribal identification cards will be available by appointment from April 20 through April 23, 2026, from 9:30 am to 3:30 pm PST.

To ensure timely service, please call the Enrollment Department at (760) 858-4219 to schedule an appointment during the available dates.

Thank you for your understanding and cooperation.

L to R (Cornel Williams Gila River, Albert Evan Harper Sr. Chemehuevi, Ephriam McCowan CRIT, Marcus `Mills Ft. Mojave, Tate Gates Ft. Mojave, Luca Walema Ft. Mojave)

This past month during the first weekend of the month. An intertribal team of men traveled down to Temecula CA to play in the 11th Annual Pechanga Classic. The team arrived Friday afternoon, played a local team (Native Strong) at 6pm. The team beat them to move onto the next morning to play (Buffalo Nation) at 10am. We lost that game and went into the loser bracket. We then played on at 3pm and lost that game to go into a consolation bracket for the smaller teams. We then played again at 9pm that night and won our first one of that bracket. We then went into Sunday afternoon and won that game to get us into the consolation bracket championship. We beat a team out of northern Nevada in double overtime 74-73 to become consolation bracket champions. I'd like to thank the Chemehuevi Tribal ASAP department for their sponsorship to attend this tournament and letting us play the game of basketball we love.

It has been understood that the Haudenosaunee (League of the Iroquois) Long House traditions played an important role in the formative understandings of the democratic traditions of the United States within the Republic.

Less known is that in the lands of the Paiute, across four states in the West, such traditions of sometimes remote self governing bodies, united by common beliefs, values, and family structures, formed a democratic nation before and within a nation, existing today as a diaspora seeking its originative principles and relationships in a modern-day Reconstruction.

Hello Tribal Members,

The weather here on tribal lands is absolutely beautiful. Purple, yellow, and white flowers, poking out from a green background. It makes for beautiful days.

The Code Enforcement has been working on setting the off road trail for the Deuces Wild Poker Run. It is being held on Saturday the 14th, Valentines weekend here on the reservation. The Code Enforcement Department cruised the 27.3 mile trail to clean up any hazards (Rocks, Trees, Brush), that the rains may have caused to block the trail. Code Enforcement will flag the course with fluorescent ribbon. When it comes to these types of events, safety is the departments #1 priority.

Respectfully Submitted,
Frederick Rivera
Chief Code Enforcement Officer

Together, we take charge of our health—our way.

MOVE MORE – SIT LESS

Sitting for more than 7-8 hours a day at home or in the office, can decrease muscle strength, and increase the risk of diabetes and blood clots over time. Reduced sitting time has benefits even for those who are physically active.

Moving more

- Helps lower blood sugar levels for people with diabetes
- Helps boost circulation and muscle strength
- Reduces stress and improves mental health
- Improves quality of life

Interrupt sitting every 30 to 60 minutes
