This program was designed to teach youth how to be a helpful hand in their community by helping out their neighbors and elders with yard clean-up, recycling take out, watering plants and other projects around their home. If you are interested in this service, please stop in to fill out a community survey. Parent and community surveys are available at the Community Center your feedback is appreciated.

The Community Center encourages parent and youth participation in fundraisers to work towards our goals. We would like to take field trips and are beginning our planning process. If there is anything you would like to see from us or would like to assist with, please stop in and let us know. We also encourage you to stop in and say hi and to join us in our activities! All events are open to our community members and families.

WHAT HAPPENED IN JUNE:

-Head Start had a fun Water Day at the baseball field. A huge thank you to the Community Center for allowing us to use their waterslide for this event. Thank you to our two parent-volunteers who monitored the safety of the children and helped with snacks.

-Head Start ended this 2024-2025 School Year with a combined End of the Year/ Graduation Celebration. We hosted this luncheon event in our preschool building, hearing from members of the community/ staff and watching as the children were given certificates of achievement and promotion. We had 5 children promoted to Kindergarten or TK and 6 received achievement awards and will be returning next school year. We had a pizza luncheon w cake and cupcakes decorated in the famous Dr Seuss themed book "Oh, the Places You'll Go!"
