HEALTH & WELLNESS DEPARTMENT

FAMILY GAME NIGHT

We enjoy getting the community together on the 1st Tuesday of every month for Family game night. Together, we play, laugh, and enjoy a homecooked meal. Bring the family to the next one!

ELDERS GATHERING

Our elders gather for a potluck the 1st Thursday of the month. It's a wonderful time to visit, share a meal and play games together. In March they played BINGO which is always a good time!

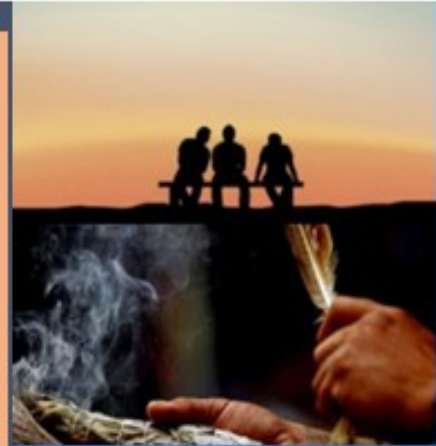

MOTION & MOBILITY NIGHT

The community was invited to join us in an evening of indoor exercise and dance. We had a blast stretching, doing cardio and ended with some fun dance videos. Join us next time!

A.S.A.P Alcohol & Substance Abuse Program

We are a holistic treatment program for alcoholism, addiction & other behavioral health conditions for tribal members, employees, and their families. We recognize the impact of addiction on individuals, families, and the community. We focus on the client's individual success, support system, family dynamics, physical health, emotional wellness, culture, and spirituality.

ASAP 30-day Challenges

Every month we give the community the opportunity to join a monthly challenge. These challenges are to promote healthy lifestyles. With help from our peer support we guide those looking to make a change and let go of something in their life that is no longer serving them. Whether it's alcohol, substances, gambling, food, smoking etc... We are here to support you in the journey!

“Accountability acts as a bridge between setting goals & achieving them, enhancing motivation & consistency.”

Exciting News!

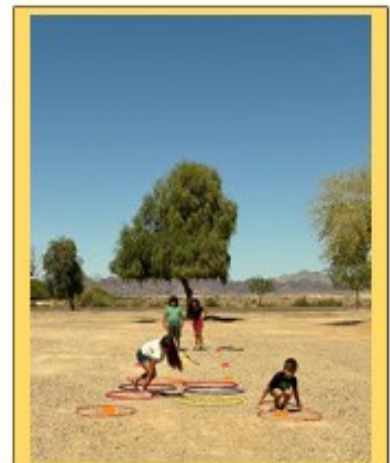

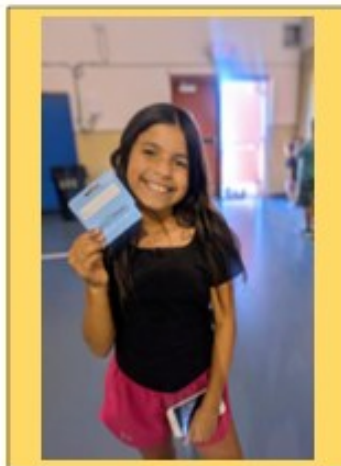

It is never too late to start over or to try something different! Our challenge offers the opportunity to have help & accountability to quit or take a break from any habit you would like to abstain from.

The challenge offers peer support, resources and information, support groups, and community activity opportunities.

2026 Health Fair

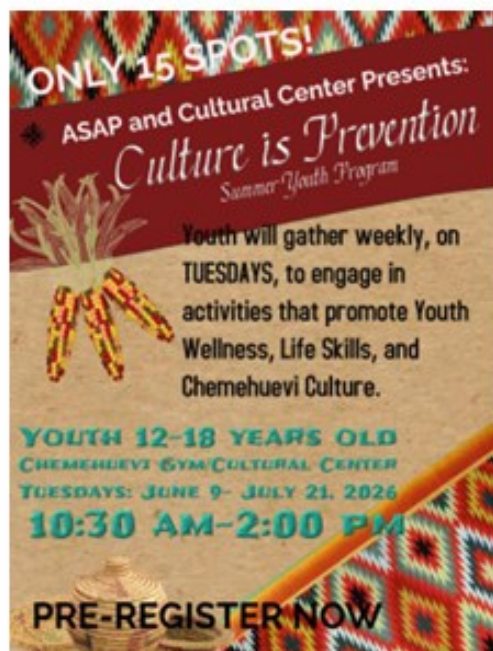

Our health fair was a success! It was wonderful seeing all the booths with such great information for the community. Thank you to all the departments that participated. It wouldn't have been possible without all those who worked hard to make this event happen. The adults and children enjoyed the raffles and the kids participated in the outdoor obstacle course.

Nüwü & the Mojave Desert & Our Water Ways with Matt Leivas

Thank you Matt Leivas for your special event! The community was invited to take a trip to West Wells and learned the importance of protecting our sacred places. The community got the opportunity to hear the importance of protecting our water and land. We are thankful to our bird singers, the guest speakers and everyone else who helped make this possible.

Youth GONA

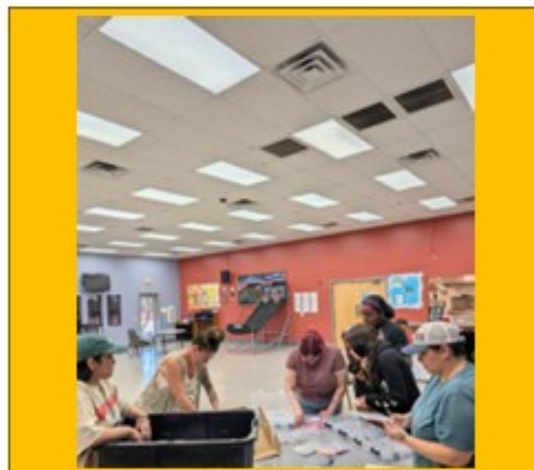

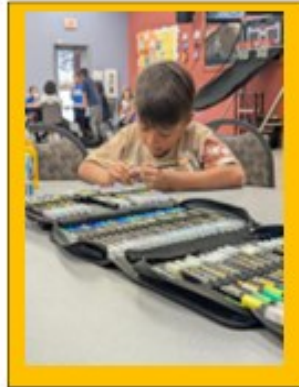

April 1st, we had a youth GONA. GONA stands for Gathering of Native Americans. The GONA is a wonderful way to bring the people together. During this time, we had our youth come together and learn about the four components of a GONA; Belonging, Mastery, Interdependence, and Generosity. We are thankful when we get to cultivate environments where the youth feel connected to each other and to their culture. Thank you to everyone who participated. It was a special day full of learning, smiles and fun. See you at the next one!

April Alcohol Awareness Month

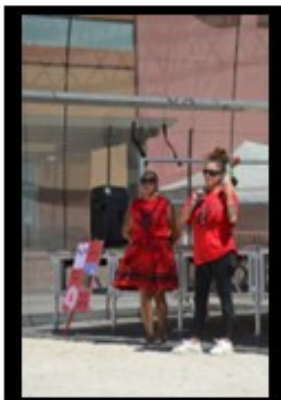

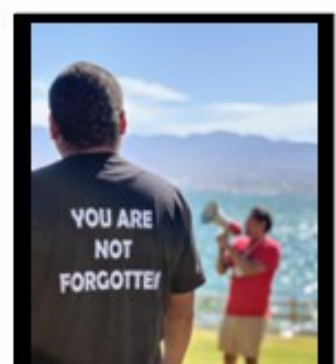

To bring awareness to the risks of alcohol misuse and potential health and lifestyle consequences; we had an Art & Alcohol Awareness Art night once a week in April. Together we learned more about alcohol misuse while learning new crafts. The community enjoyed making talking sticks, jewelry, and painting on rocks and canvases.

MMIP Walk

A big thank you to everyone who attended and supported our MMIP Awareness Walk. Your presence, prayers, voices, and support truly meant so much to our community. Together we walked in honor of our missing and murdered Indigenous relatives, stood in unity with families, and helped continue spreading awareness and healing. Thank you to all the volunteers, speakers, singers, departments, community members, and organizations who helped make this event meaningful and successful.

We appreciate each and every one of you for standing with us!

Hello Tribal Members,

Summertime is upon us. The heat is here. The highs are reaching 111 degrees. 78 degrees in the morning. This is where we find out whos heat acclimated.

Heat exhusion comes on quick. Make sure to drink plenty of water, wear a hat, a damp cloth works well too.

Remember your furry friends. Especially the ones braving the heat outside. Lots of water and shade. A small kiddie pool works well. Also, a frozen 2 liter bottle of water placed in their bowls during the hottest part of the day works well. Spraying your yard down helps drop the temprature.

The Code Enforcement Department has been working with the Bereau of Land Management (BLM) about conducting a 2nd Burro Round up this year. We are once again being over populated by burros. The Havasu Landing Campground is seeing the destruction. Everything from broken water lines to trash being scattered everywhere. Ryan Glenwood from BLM Ridgecrest, Wildhorse and Burro Program visited the reservation to see the destruction the burros are causing. So hopefully we can get a second round up. Fingers Crossed !!!!!

Respectfully Submitted,
Frederick Rivera

TERO

TRIBAL EMPLOYMENT RIGHTS OFFICE

WHAT DO WE DO?

1

The TERO program enforces tribally enacted American Indian preference law, which ensures American Indians gain their rightful share of employment, training, contracting, subcontracting, and business opportunities occurring on or near reservations.

2

The Chemehuevi Tribal Employment Rights Office (TERO), by virtue of a contractual agreement with the Equal Employment Opportunity Commission (EEOC), is authorized to interview and counsel individuals with potential employment discrimination charges. The TERO employees address draft charges of alleged violations of Title VII, file complaints with the EEOC and attempt to resolve the charge by mediation within 30 days.

3

Call the TERO Office if you are a youth worker 14 - 17 or an adult looking for a temporary job

OR

If you want to speak with someone about a discrimination issue
