

ENROLLMENT AGREEMENT

TO THE PARENT/GUARDIAN:

Please read this Enrollment Agreement carefully. If you do not understand any provisions, feel free to ask the Administrative Asst. to School or the Child Care Educational Director for an explanation. This Enrollment Agreement, its attachments, and the Code of Maryland, Regulations 10.05.01, Group Day Care Centers establish your legal rights and responsibilities, and those of the Center, regarding your child's participation in the Center. Throughout this Enrollment Agreement and attachments, the terms "you" and "parent" refer to the parent(s) or legal guardian(s) of the child enrolled in the Trinity Lutheran Early Learning Center. The term "school day" means a day when the Center is open and operating.

Trinity Lutheran Early Learning Center is an equal opportunity provider. It does not discriminate on the basis of its educational policies, admissions policies, or any other school-administered programs.

You hereby agree to enroll your child in the Trinity Lutheran Early Learning Center (hereafter referred to as the "Center"), and the Center agrees to accept your child's enrollment, under the terms and conditions as stated herein. You understand that the Center is providing care for your child so that you have the opportunity to pursue gainful employment or job training.

Trinity Lutheran Early Learning Center will also provide you with a Parent Handbook in conjunction with this Agreement.

- 1. PROGRAM AND HOURS OF CARE** – The Center will provide full-time care, Monday through Friday, for your child. The Center is open from 6:00 a.m.-6:30 p.m.

All children must be picked up by 6:30 p.m. Please call the Center at 410-679-4000, extension 111 before 4:30 p.m., extension 159 after 4:30 p.m. or the center cell phone 410-808-9148 if there is an emergency. The school office is open Monday through Friday 8:00 a.m. to 4:30 p.m. In case of emergency, arrangements should be made for someone else to pick up your child prior to 6:30 p.m. If I or other authorized persons fail to pick up my child and/or contact the center, and I or other authorized persons cannot be reached, center staff, within thirty minutes after closing time or in accordance with state child care licensing regulations, may release child to the custody of child protective services or other local authorities.

In all cases, a \$20.00 late fee will be charged for every ten minutes beyond 6:30 p.m. (Example: 6:01 to 6:10 = \$20.00; 6:11 to 6:20 = \$40.00; 6:21 to 6:30 = \$60.00, etc.) **The late charge will be payable to the office prior to the entrance of the child in the Center on the following day. Repeated and unexcused lateness (more than three (3) in a ten (10) day period) may result in the discontinuance of this child care agreement.**

- 2. SIGN-IN/SIGN-OUT** – **A Designated Adult must sign their children in and out of the Center using the computers.** Teachers will not provide this service for parents/guardians. The center is responsible for the child only after he/she has been signed in and until the child is signed out. "Goodbyes" are to be exchanged in the classroom or the breakfast area. Pre-School Sign-In & Sign-Out computers are located in the area your child is in when you drop her/him off or pick her/him up. Before and/or After Care Sign-In & Sign Out is available on the computer located in the main school lobby. If the class has been relocated, a sign will be posted as to their location.

Persons designated as an Emergency Contact will be contacted by the ELC and are authorized to pick up my child if there is a medical or other emergency and I cannot be reached. Parent/Guardian must complete any state-specific emergency release forms required by individual state child care licensing regulations. In addition, release person must be 18 years of age or older.

ELC staff will release your child only to you. The persons you have provided as your Emergency Contact/Pick-Up may pick up your child only if the ELC staff, management and/or school office has been notified of such. For the safety of your child, we will

request all authorized Release Persons with whom staff are not familiar to provide Government Issued photo ID at time of pick-up. If you want a person who is not identified as an Emergency Contact to pick up your child, you must notify ELC management in advance. Your child will not be released without prior authorization. In the event you call a pick-up authorization into the center, the Parent/Guardian identification information will be used to verify your identity and to authorize the release of your child.

3. **DRESS CODE** – The Early Learning Center students are not required to wear uniforms. See handbook for the Dress Code Policy.

4. **PAYMENTS**

A. **REGISTRATION FEES** – A non-refundable registration fee is due and payable on the day this agreement is made (see signature for date) and, thereafter, during open enrollment for each session (fall/summer) your child is to be enrolled in the Center.

B. **DEPOSIT FOR CLASSES**

- **TUITION** – On or before the bi-weekly Friday tuition payment dates, you will pay the Center a two-week prepaid tuition fee. If you enroll your child in the Center during the middle of a two-week period you will pay, on or before the first day your child attends the Center, a one-week tuition fee for the week of attendance.

5. **METHOD OF PAYMENT** – Payments are to be made by cash, by credit card (in the finance office or on the school website *www.tlsonline.org*), by Direct Debit or Bank to Bank (Authorization Applications are available in the school office), by check or money order *payable to Trinity Lutheran Early Learning Center*. However, if any payment by check is returned unpaid, you will owe a service charge of \$20.00 in addition to other amounts due, and thereafter, you must pay by money order until the next re-enrollment date.

Payment may be mailed to Trinity Lutheran Early Learning Center, 1100 Philadelphia Road, Joppa, MD 21085 or placed in the Tuition Payment Box provided for your convenience.

Parent(s)/guardian(s) are responsible for payments two weeks in advance of services, which are payable every other Friday. **Payments must be mailed or delivered to the Center at the School Office; the Center will not be responsible for any payment lost, stolen or mislaid before delivery to the Finance Office. A child will not be accepted in the Center if proper payments have not been made.**

LATE FEE – Tuition received after the due date is assessed a \$20.00 late charge.

Teachers are not authorized to accept payment.

If there is any problem with your payments, please call the Financial Assistant at (410) 679-4000, extension 181, between 8:00 a.m. and 4:30 p.m.

6. **CHANGES IN TUITION** – You understand that the bi-weekly tuition rate is subject to change at the discretion of the Center. You agree you will pay the new rate after the Center gives you *fourteen (14) days* written notice of such change.
7. **ABSENCES** – You are responsible for paying the full bi-weekly tuition for each two-week period your child is enrolled in the Center, even if your child is absent due to illness, vacation or other cause during a bi-weekly period. The only exception to this would be if your child is absent for five (5) consecutive school days due to illness. In such cases only 50% of the weekly fee will be charged. **To secure this adjustment in tuition fees, submit a signed statement from the doctor. If this statement is not submitted within 4 weeks of your child's return to the center, this adjustment is forfeited. This exception is allowable once a year.** As a courtesy, you should

notify the Center a week in advance if your child will be absent due to vacation.

8. **HOLIDAY CLOSING** – The Center will be closed the following days; however, there will be no refund or credit against the bi-weekly tuition fee for these days: New Year's Day, Martin Luther King Day, President's Day, Good Friday, Easter Monday, Memorial Day, Independence Day, Labor Day, October 18, Thanksgiving Day and the Friday after, Christmas Eve and Christmas Day.

The Center is closed the days between Christmas and New Year's Day which is considered a vacation week. You will not be charged for this week.

9. **SNOW CLOSING AND INCLEMENT WEATHER CLOSING** – We do NOT follow Public School or Trinity Lutheran School closings. Our "School Closing Information" Hotline is accessible to you by calling 410-679-4000 and pressing extension 312, One Call System, Brightwheel, and the school website (www.tlsonline.org).

There will be no refund or credit against the bi-weekly tuition fee for any such closing. In the event of any early closing due to inclement weather, you agree to make arrangements to pick up your child promptly.

If there is a 2 hour delay to open the Early Learning Center, breakfast will not be served.

10. **BEFORE AND AFTER SCHOOL CARE STUDENTS – Holidays and Snow Days** – Full day care is available during school holidays and school closings due to inclement weather. Lunch is provided on these days. *Full day care is available only to those children enrolled in **BOTH** before and after care. Breakfast, lunch and snack are provided.

If there is a 2 hour delay to open the Early Learning Center, breakfast will not be served.

11. **ILLNESS** – Your child should remain at home if he/she is unable to participate fully in all activities. The teacher must be concerned with the total needs of the class and is, therefore, not able to provide continual attention to children whose activities must be monitored. Any exception to this must be cleared with the respective Director. Be sure your child can take care of his/her personal needs while at school. Children should be kept home if they: (If these symptoms are present while in school, the Parent/Guardian will be notified to pick-up their child.)

- Have diarrhea;
- Vomit two or more times within a 24-hour period;
- Have an oral fever of 100 degrees Fahrenheit;
- Have a sore throat or severe cough;
- Have red eyes with discharge that have not been treated;
- Have infected, untreated skin patches or lesions;
- Have labored or rapid breathing, or severe pain or discomfort;
- Have a communicable condition such as pertussis, chicken pox, measles, the flu, mumps, strep throat, hepatitis A, impetigo, scabies or lice;
- Are on prescribed medication (for the first 24 hours).

Students are not allowed to return to the school or center for 24 hours from the onset of the illness without a doctor's note. **Student must be symptom free without fever suppressants or other medications for 24 hours.**

When a student becomes ill or injured at school, he/she will be sent to the nursing personnel. The nursing personnel will evaluate the student and call the parent/guardian. If the parent/guardian cannot be reached, the nursing personnel or office will attempt to contact the person(s) named on the Emergency Form. When parents/contacts are called, they must pick up the student in a timely fashion. We will take distance traveled into consideration. If you cannot come within a 1-2 hour window, the parent/guardian or school will call the emergency contact on the Emergency Form. **Parents are required to keep the school/center updated as to the most recent emergency numbers and information.**

In cases of severe injury, the student may be transported by Harford County medical personnel to the nearest available hospital. If a parent/guardian desires any other arrangements, it should be so specified on the Student Profile or the Student Medical Conditions Form.

For any injuries obtained at school, the staff is required to fill out an Accident Report which is then placed in the student's file. A parent/guardian will be notified of the accident and course of action taken.

After an absence of three (3) consecutive days or more, a release from the doctor must be presented.

A student must have a doctor's note in order to be excused from any Physical Education classes or outdoor play.

WE DO NOT HAVE FACILITIES FOR SICK CHILDREN.

12. MEDICATION – Medications may be administered to your child by personnel with medication administration certification in our School and Center only when the Nurse is out of the building. A Director will be contacted to sign the medication form when medicine is given. Any medications including over-the counter drugs may not be in the student's possession. Example: antibiotics, cough syrups, aspirin, Tylenol, etc. throat lozenges, cough drops, lip balm and lotions (i.e., calamine lotion, sunscreen.) The only medications that will be approved by the Early Learning Center Director are for asthmatic conditions, bee sting allergies, diabetic testing, and ADD/ADHD. The Early Learning Center Director must be contacted for any and all exceptions.

13. BEDDING REQUIREMENTS FOR TWO'S, PRE-SCHOOL AND PRE-KINDERGARTEN – In general, the Center will provide a cot. A few items, however, are required from home:

- A. **Small Favorite blanket**, a crib size sheet, a child-sized pillow if necessary for rest time. Please do not send in sleeping bags, large blankets, or pillows as they are too bulky for storage. A sheet or blanket is required to cover your child's cot at rest time. If desired, you may bring a pad to cover the cot under your child's sheet.
- B. **A small stuffed animal**, if possible, or soft doll if your child would like one for rest time. This object must stay here for the week.
- C. **A plastic bag, with draw ties**, labeled with the child's name, must be provided for storage of bedding.
- D. **All bedding** (blankets and sheets) is to be taken home on Fridays. It must be washed and returned on Mondays in a draw-tied plastic bag with your child's name on it.

14. SAFETY & HEALTH

- A. All children in our center are required to wear socks and closed toed, "rubber soled" shoes, which buckle, tie, or Velcro securely. High top and double-laced sneakers/boots, shoes with lights, clogs, sandals, moccasins, work/hiking boot type shoes, and "jellies" are not permitted. This policy is necessary so your child can move about the building and play on all playground and gym equipment more safely.

- Notification of IEP/504 Plans.

- Withdrawal may not be for less than 30 days.

This Brochure Provides Information About:

- The requirements that State-regulated family child care homes and child care centers must meet.
- Your rights and responsibilities as the parent of a child in regulated care, and
- How and where to file a complaint if you believe your child care provider has violated State child care licensing regulations.

Who Regulates Child Care?

All child care in Maryland is regulated by the Maryland State Department of Education (MSDE), Division of Early Childhood Development. Within the Division, child care licensing is the specific responsibility of the Office of Child Care (OCC), Licensing Branch.

All child care facilities must meet minimum health, safety, and program standards set by Maryland law. To remain licensed, facilities must maintain compliance with those standards. Every licensed facility is inspected by OCC at least once each year to evaluate the facility's compliance with child care regulations.

OCC's thirteen Regional Offices are responsible for licensing activities, including:

- Issuing child care licenses;
- Inspecting child care facilities;
- Investigating complaints against licensed child care facilities;
- Investigating reports of unlicensed (illegal) child care; and
- Taking enforcement action when necessary to achieve compliance with regulations.

There are two types of regulated child care facilities: *family child care homes* and *child care centers*.

Family Child Care Homes and Child Care Centers Must Meet the Following Requirements:

- Have the approval of OCC, the fire department and other local agencies, as required (i.e., zoning, health, and environment).
- Provide care only in the areas of the facility that have been approved for use.
- Have the license issued by OCC posted where it is easily and clearly visible to parents. The license shows:
 - > the maximum number of children who may be present at the same time;
 - > the age groups which may be served; and
 - > the facility's approved hours of operation.
- At all times, each child must be supervised in a manner appropriate to the child's age, activities, and individual needs.
- All areas of the facility used for child care must be clean, well lit, and properly ventilated. Room temperatures should be comfortable.
- If food service is provided, food must be stored, prepared, and served in a safe, sanitary and healthful manner.
- The facility must offer a daily program of indoor and outdoor activities that are appropriate to the age, needs and capabilities of each child.
- An up-to-date emergency information card must be on file and maintained for each child.
- The facility must post an approved emergency evacuation plan and conduct evacuation drills at least monthly.
- Child discipline procedures must be appropriate to a child's age and maturity level and may not include the deliberate infliction of physical or emotional pain. *Corporal punishment of any kind is strictly prohibited.*

ADDITIONAL INFORMATION

There are certain requirements that apply only to homes or centers.

Family Child Care Homes

- Up to 8 children may be in care at the same time if the home meets certain physical requirements. No more than 2 children under the age of two, including the caregiver's own, may be in care at the same time unless the home has been approved to serve additional children in this age group and an additional adult is present. Under no circumstance may care be provided at the same time to more than 4 children under the age of two.
- Each applicant for a family child care license must:
 - Have a criminal background check and child abuse/neglect clearance;
 - Submit a recent medical evaluation; and
 - Complete pre-service training requirements, including certification in first aid and CPR.
- Each adult resident of the home must also have a criminal background check and child abuse/neglect clearance.

- After becoming licensed, the caregiver must periodically complete additional training. Also, current certification in first aid and CPR must be maintained at all times.
- Each caregiver must have at least one substitute who is available to care for the children in the event of the caregiver's temporary absence from the home. Each substitute is subject to approval by OCC and must have a child abuse/neglect clearance. If paid by the caregiver, a substitute must also have a criminal background check. Before allowing a substitute to provide care, the caregiver must tell the substitute how to reach parents in the event of an emergency and familiarize the substitute with the home's child health and safety procedures.

Child Care Centers

The center director and staff members who have group supervision responsibilities must meet minimum education, experience, and training qualifications. They must also meet continued training requirements each year.

The director and all paid center employees must complete a criminal background check and a child abuse/neglect clearance, and submit a medical evaluation.

- In each classroom, staff/child ratios and minimum group size requirements must be maintained at all times. The following table shows some basic age groupings and the applicable requirements:

Age Group	Ratio	Maximum Size
0 - 18 months	1:3	6
18 - 24 months	1:3	9
2 years	1:6	12
3-4 years	1:10	20
5 years or older	1:15	30

- For every 20 children present, there must be at least one staff member who is currently certified in first aid and CPR.

Your Rights and Responsibilities as a Child Care Consumer

- You have the right to:
 - Expect that your child's care meets the standards set by Maryland's child care licensing regulations (NOTE: the regulations are available online at: www.marylandpublicschools.org/MSDE/divisions/child_care/regulate/);
 - Visit the facility without prior notification any time your child is there;
 - See the rooms and outside play area where care is provided during program hours;
 - Be notified if someone in the family child care home smokes. In child care centers, smoking is prohibited;
 - Receive advance notice when a substitute will be caring for your child in a family child care home for more than two hours at a time;
 - Give written permission before a caregiver may take your child swimming, wedding, or on field trips;
 - Give written authorization before any medication may be administered to your child;
 - Be notified immediately of any serious injury or accident. If your child has a non-serious injury or accident, you must be notified on the same day;
 - File a complaint with OCC if you believe that the caregiver has violated child care regulations.

- Any complaint you make to OCC about the care your child is receiving will be promptly investigated by OCC; Review the public portion of the licensing file for the facility where your child is or has been enrolled, or where you are considering enrolling your child.
