

Welcome
To
PSA!

Class Communication:

Throughout the day, updates will occur on Brightwheel. These daily updates will include pictures, videos, fun activities, and much more. All our lesson plans will be made available through Brightwheel, as well as our new monthly newsletters. Diaper changes for each child and meals will also be recorded through the app. If you have any questions, comments, or concerns about your child, the easiest method of communication will be through the Brightwheel messaging feature, or email.

Classroom Sanitation:

- Toys will be frequently cleaned in a 3 bin sanitation system
- Frequently touched surfaces will be sanitized throughout the day
- Porous and soft toys will not be available
- Children's bedding will be sent home daily after each use

Classroom Social Distancing:

- Classroom will be set up to encourage social distancing and individual play areas
- Teachers will model social distancing when possible to set an example
- All teachers will wear masks while inside the building and when interacting closely with children
- Naptime cots will be at least 18" apart, set up head to toe
