for  
William Clifford (Cliff) Dickinson's Expert Witness Fees

An engagement fee of \$3,500 is required to begin work. The engagement fee is a minimum fee and is non-refundable. However, after examining the materials we decide that my opinions will not support your case, the remainder of the fee, if any, will be refunded. If retained for a case, payment of invoices is due monthly as time or expenses are incurred.

All time spent at work on the case including, but not limited to, reviewing materials, travel time, site visits, research, report writing and telephone calls is billed at \$425.00 per hour, portal to portal. The exception to that is testifying in depositions or testimony in court. A fee of \$4,250 must be received to reserve a date for a deposition or an appearance in court. If the deposition continues into subsequent days, a daily rate of \$4,250 is due for each day or portion thereof. This agreement is between Mr. Dickinson and your firm. If you have an agreement with the opposing firm to pay for deposition time, Mr. Dickinson's invoice is your firm's responsibility.

Expenses, such as those incurred during travel, are billed at cost plus 15 percent. Mileage (my vehicle) is charged at \$2.25 per mile. Expense invoices are due upon receipt. Mr. Dickinson travels from Saint Augustine, FL. Contact Mr. Dickinson at [wcdickinsonjr@gmail.com](mailto:wcdickinsonjr@gmail.com) or 770-876-5560 for a final bill before settling a case.
