

# CALL FOR ABSTRACTS

## 14<sup>th</sup> Interventional MRI Symposium

Conference Details: October 17-18, 2024 in Annapolis, MD USA

**Submission Deadline: June 17, 2024 11:59 pm EDT**

Dear Colleagues,

We are pleased to announce that abstracts for 14<sup>th</sup> Interventional MRI (iMRI) Symposium from October 17-18, 2024 at the Graduate Hotel in Annapolis, MD USA are now being accepted through **June 17, 2024**. I would encourage you, your team and your colleagues to submit either scientific or educational abstracts for oral or poster presentations.

The focus of the iMRI Symposium is the use of magnetic resonance imaging for the planning, control, and monitoring of surgical and radiological interventions. In particular, the topics of the 2024 iMRI symposium include interventional MRI systems, hybrid designs, instrumentation, MR pulse sequences, visualization techniques and data processing, navigation techniques, robotics, MR thermometry, thermal ablation techniques, MR guided biopsies, molecular imaging, MR guidance of cellular therapies, and targeted drug delivery. Abstract submission instructions are available on the easychair submission website:
