

P R E S E N T S

**THE MODERN APPROACH :
BLENDING DYNAMIC MOTION WITH GOLF SCIENCE**

You are formally invited to join us at Measured Golf for a day of shared learning and coaching. This event is only open to professional golf instructors/coaches. This education will include both an interactive presentation and the opportunity to get on the Swing Catalyst Dual Motion Plates to experience how enhancing ground forces can add both efficiency and consistency throughout the bag!

SCHEDULE

8:00 AM – 9:00 AM : Arrival, coffee and networking
9:00 AM – 9:30 AM : Opening remarks and introductions
9:30 AM – 11:00 AM : Interactive Presentation
11:00 AM – 11:15 AM : Break
11:15 AM – 12:15 PM: Functional Movement Drills
12:15 PM – 1:00 PM: Lunch
1:00 PM – 5:00 PM: Live coaching and analysis with attendees
