Bringing Design Visions to Life

For over 40 years, Two Worlds Arts has been creating exceptional handcrafted furniture and decorative pieces from our New York workshop. We specialize in custom furniture, linen and grasscloth-wrapped designs, and hand-painted Chinoiserie, with every piece proudly 100% made in the USA by skilled artisans.

Customization is at the heart of everything we do. Nearly every item can be tailored to your preferred size, finish, color, materials, and hardware to create a truly one-of-a-kind piece.

Our collections include custom furniture, lighting, mirrors, decorative accessories, restoration, decorative painting, and bespoke design services. Combining traditional craftsmanship with timeless design, we are dedicated to bringing our clients' unique visions to life with exceptional quality and attention to detail.

WHY CHOOSE US

Full Customization

Every project is tailored to your vision. We customize dimensions, proportions, materials, finishes, hardware, and details to create one-of-a-kind pieces that fit your design perfectly.

Unlimited Finish Options

Choose from an extensive selection of finishes, including linen and grasscloth wraps, hand-painted Chinoiserie, lacquer, wood stains, painted finishes, faux finishes, and custom color matching. If you can imagine it, we can create it.

Faster Lead Times

Every piece is handcrafted in our New York workshop, allowing us to maintain complete control over production. By manufacturing everything in-house, we deliver exceptional quality, reliable communication, and faster lead times.

Free Renderings

We make the design process easy by providing complimentary renderings and finish samples with your project. This allows you to visualize your piece, review materials and colors, and approve every detail with confidence before production begins.
