

SOCIAL STARS

Is your child struggling to make and keep friends?
Is non-verbal communication a challenge?
Could they use a refresher before re-entering the classroom?

This group will help them soar!

JUNE 21 - JULY 30

Students will meet in groups of 2-3 with a speech therapist to work on enhancing social skills while practicing with peers. This therapeutic group is designed for students on the spectrum or with other pragmatic challenges. Topics may include nonverbal language, maintaining conversations, asking questions, and making friends.

Students will be carefully matched with peers during registration.
