2022 SUMMER GROUPS & PROGRAMS

Accent Mastery Course

Perfect for
professionals
and
presenters!

► Enhance communication skills

► Increase clarity

► Boost confidence

American English pronunciation training, also known as Accent Modification, helps adults build confidence in their English communication. This is achieved through learning and practicing:

- English sounds, syntax, and intonation
- Strategies for clarity and natural fluency
- Speaking with confidence

Our Accent Mastery Course will allow you to retain your unique regional or native accent while increasing your intelligibility and effectiveness.
