## JUNE 20 - AUGUST 8

TUESDAYS --- 4P - 5:30P CST

Join us for this new and exciting program! In this judgement-free group, we offer participants an opportunity to learn specialized practices designed to finesse vocal skills and maximize his/her/their **preferred voice**! This group will be a **safe space** to provide vocal assistance to anyone who identifies (or may identify in the future) as a transindividual.

A licensed Speech-Language Pathologist will teach **vocal coaching** techniques to enhance control of individuals' vocal ability. Sessions will begin with vocal warm-ups followed by practice speaking in preferred voice which may include working on **tone**, **pitch** refinement, and learning **common phrases**. Members of the group will also have opportunities for group discussion where they can feel free to share whatever wins, concerns, questions they wish.

### WHO
