Page Pals with Tacoma

You've heard of the very popular book series Dog Man by Dav Pilkey....

...well his newest book, *The Scarlett Shedder*, comes out THIS MARCH and we are here for it!

Here's the scoop:

June 17 - August 13

Tail-wagging excitement awaits! Struggling readers are invited to join Tacoma, our canine companion, in this book club where we'll be reading the newest Dog Man together in a supportive and silly style.

Tuesdays & Thursdays 3:30p-5p in the Launch Library

Grades 2-5

\$375 per student (payment options available)

Each club member will receive their own copy of the book to keep!

Meet Tacoma!

Laura (one of Launch's awesome Speech-Language Pathologists) will lead this group with her friendly, happy pup, Tacoma! They can't wait to meet you and Tacoma says he's really looking "forward" to this "pawsome" new book!
