2002 BUBBA League SuperBowl

All hail the new champ.

Da MudBugz, in their first year, captured the 2002 BUBBA League SuperBowl, defeating last year's champ, Virginia Gentlemen, 112-93.

From a 4-5 start, Da MudBugz did not lose another game. In his prior wins, he used the fleet feet of Clinton Portis. With Portis riding the pine, rookies Donte Stallworth and Jeremy Shockey carried Da MudBugz to win in his initial season. This was accomplished only in the first season of the BUBBA League.

This years New Year's Wishes:

- DiamondBacks - 16 weeks like his last two this year
- Showtime - End the season like his started
- Who Dats - More wins, less beer!
- Malum In Se - More trades.
- Hairy Polis - Keep making the playoffs. Three years in a row.
- Black Jack - Beginning of the season like the end.
- RoadKill Gang - A password for his computer.
- Va Gents - Another RB tandem like Ricky and LT
- Da MudBugz - Three rookies in his line up like this year.
