2003 Week 1 PlayOff - BUBBA League Results

The first week of the playoffs saw four teams leave the party.

The Masters division is down to one representative as Malum In Se and RoadKill Gang could not keep up with the DiamondBacks and the Cinderella story of the Grove Rats. Both move to the second round to play the Division champs, Da Mudbugz, aka, the evil empire and Showtime.

In the Bring the Beer Bowl, Who Dats will not be bringing the imported beer he promised, Rolling Rock!?!? The VA Gents also found a way to escape.

Playing for the opportunity to bring some decent suds, is Hairy Polis and Black Jack. If Hairy "wins" perhaps a margurita machine?

2003 Week 2 PlayOff - BUBBA League Results

Playoff Week #2

The magical tour of the Grove Rats continues as he advances to the **BUBBA League** Super Bowl. Joining him for the opportunity to garner the coveted T-shirt is first timer Showtime. He held off DiamondBacks, who, I'm sure, wishes he could have a do over with Brad Johnson.

Da Mudbugz, who kicked butt all year long, had his handed to him in his attempt to repeat.
Danny, you spell worked!!!

The Beer Bowl saw Black Jack whip up on Hairy Polis. Hairy has the honor of bringing the beer (and lot's of it) to the draft next year.

The results:

2003 - BUBBA League SuperBowl

The Cinderella story of the Grove Rats came to an abrupt end as Showtime made some wild ass moves of his own, before the final game to help propel him to win the coveted **BUBBA League** Super Bowl T-shirt and his name on the "Wall of Fame" plaque.

Showtime held a commanding lead going into the Monday night game. Grove Rats QB did all he could to help him come back. But for every TD that Favre threw, Showtime's kicker scored a point. The final
Showtime - 147
Grove Rats - 108

Oh yeah, there are financial gains for the two teams. This year's kitty totaled \$670.00.

The payout: \$670.00
Admin Fees: 65.00
Payout \$605.00

Showtime - \$423.50
Grove Rats - 181.50

Of course, what would the final report be without a few Christmas wishes:

Black Jack-Sitting between Grove Rats and Va Gents to get in on the "action". At least one trade worked, I think!!

Who Dats-An eight game winning streak, instead of the other.

Hairy Polis-Less pressure by drafting for only one person.

Va Gents-A more filling, less alcohol beer.

Malum In Se-To be there in person to hear Danny's Mr. Haney...maybe not.

RoadKill Gang-Less beer and more gut feelings.

DiamondBacks-The noon Sunday deadline to come and go.

Da MudBugz-To remember not to bring last year's Fantasy Football magazine to next year's draft.

Grove Rats-More wild ass trades....before, during and after the draft.

Showtime-Trades like the one's made this year would help.

See you next year.

The Commish
