

2:1:1 Rule Check for Understanding

Directions: Answer all of the questions with yes or no. Then, if all of the answers are yes on a row, then double the last letter of the word before adding the suffix. If there is at least one no answer in a row, then do not double the consonant before adding the suffix.

Word	Suffix to be added	Does the word have two syllables?	Is the last syllable accented?	Is there 1 vowel before 1 consonant in the 2 nd syllable?	Does the suffix begin with a vowel?	If you answered yes to all of the questions, double the final consonant before adding the suffix	New word
