PREPARING FOR THE INSTITUTE

SOLO RECITALS

Solo recitals are held on Tuesday, Wednesday, and Thursday, at 12:45 p.m. in the Salle Marie-Stéphane. This is a chance for all participants to play a solo and hear others perform in a pleasant, relaxed concert setting. All musicians are encouraged to perform. Choose a polished piece (not newest piece), that you can play comfortably by memory with the accompaniment, and that your home teacher approves for solo performance. Practice the solo before the Institute and, if possible, play it for your home teacher, family, and friends.

At the Institute, the solo piece may be further refined with the help of your Institute teacher and your accompanist, if you need accompanying.

Please remember to bring the piano accompaniment to your solo piece if it is not in the Suzuki Volumes.
