

REGISTRATION DAY 2022

After a two-year hiatus, it is with great pleasure that we welcome you to Institut Suzuki Montréal 2022. Sunday, the first day of the Main Week program, is meant to be a relaxed, informal time of preparation for the busy week to come. It is a chance to get organised by becoming familiar with the schedule and finding the locations of your individual lessons, groups, classes, rehearsals with accompanist, conferences, and concerts.

The schedule of events for Registration Day is as follows:

1:45 – 2:45 PM **REGISTRATION IN ROOM H-107**

- Write your concert piece on the Student Solo Recital List. If your child will not perform in a solo concert, please make a note on the Recital List. Pianists should enter their concert piece.
- Pick up your nametags.
- You may choose a locker for the week, among the lockers in the basement of the Music Department. Bring your own lock.
