EARL GREY COMMUNITY HALL

The Earl Grey Community Hall board is looking for suggestions from the public for possible future events to be held there. Is there anything you'd like to see, or do you know of anyone looking for a facility to hold meetings, weddings, markets, musicals, drama productions.

The Hall kitchen is fully equipped up for catering, and there are ample tables and chairs.

They are also working to make up a list of volunteers for any small repairs that may need doing, such as painting, carpentry, plumbing and electrical.

If you have experience in any of these fields and would also like to be considered for more substantial projects, they would like to hear from you.

The board is looking for volunteers for various events as they come up, and also hope to attract new members to join the Board. Is this something that would interest you?

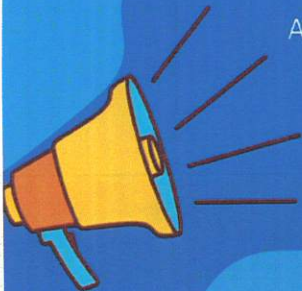

For more information, please contact the following:
Debbie Kothlow: 306-737-0914
