Water Main Flush

WATER MAIN FLUSHING NOTICE

Please be advised that the **Village of Earl Grey** will be flushing all water main lines within the Village on **Thursday, September 17, 2026**.

During the flushing process, you may experience **temporary water discolouration and/or interruptions in water service** when the water main on your street is being flushed.

Residents are advised to **collect and store some water in advance** if needed.

In case of any unforeseen issues, please ensure you are prepared ahead of time.

If you have any questions or concerns, please contact the **Village Office at 306-939-2062**.

Thank you for your cooperation and understanding.

BROKEN CART EXCHANGE

Please take a moment to check your garbage and recycling carts. We are experiencing a high volume of broken carts and would like to arrange a mass replacement with Loraas.

If your cart is broken and needs to be exchanged, please contact the office at (306) 939-2062 or email admin.earlgrey@sasktel.net before **Friday, September 11, 2026**.

Thank you for your cooperation.

VILLAGE OF EARL GREY

Sewer – Hotel – \$ 120.00
Garbage – \$ 42.00
Recycling – \$ 39.00

Thank you

A heartfelt thank you to our wonderful community members who took the time to plant and water our beautiful flowers throughout the village. Your care, time, and dedication have truly made a difference and helped brighten our community.

Your contribution did not go unnoticed, and we are so grateful for all that you do! 🌸🌹

Property Maintenance Reminder

We ask that all residents please help keep our community clean, tidy, and safe by maintaining their properties. This includes:

- Cutting grass and weeds regularly.
- Removing derelict or junked vehicles.
- Removing unsightly items and debris from your property.
- Trimming trees and hedges along sidewalks and back alleys to ensure they remain clear for pedestrians and vehicles.

Our Bylaw Enforcement Officer, **Rocky Coleman**, is currently inspecting properties throughout the Village and issuing warnings for nuisance yards. We appreciate everyone's cooperation in keeping our community looking its best.

Tree Trimming & Yard Waste

If you are undertaking a **large tree-trimming or tree-removal project**, please contact the Village Office to arrange use of the Village trailer. This helps prevent large amounts of yard waste from being left for Corley to handle.

Please remember that **all yard waste must be placed in bins or compostable bags.**

Thank you to everyone for doing their part to keep our Village clean, safe, and welcoming!
