SNOW REMOVAL

When removing snow from your driveway/walkway this winter we ask that you please clear the snow onto your lot instead of pushing it across the street. When it is pushed across the street this can cause ridges if the snow on the street has already been cleared. **New Bylaw 4-2025 to Control Snow Removal is now in place.**

Also, we ask that everyone please remove their garbage and recycling carts from the side of the street in a timely manner each week so they do not interfere with snow removal through the winter months.

We ask that you please refrain from feeding the deer within the Village limits as that attracts them into Earl Grey where they will harm the planted trees in yards.

Christmas Lights

The Christmas Lights have been hung around town and we hope that everyone is enjoying them when driving home from work or doing your annual “Sparkle Tour.” Thank you to the Town of Southey for helping Corley hang the lights.

Business & Animal Licenses

We would like to remind everyone to please renew your business license in January of 2026 by paying the annual fees. Also, please let us know if there are any changes to the number of animals that you may have. We have changed our dog (spayed or neutered) to a one-time fee of \$50 – effective January 2026.

REMINDER...Property taxes are due on December 31st. If they remain unpaid on January 1st then a penalty of 2% per month will accrue on all tax arrears on the first of each month.

WELCOME NEW RESIDENTS TO OUR VILLAGE!

Please let the office know your updated information for emergency reasons, telematic (instant communication), updates, etc. Be in the know!

Please complete the Email Consent Form provided by the Village of Earl Grey and return the form to the office.
