## "Welcome to" Shanklin & Godshill Cricket Club

Westhill Road, Shanklin, Isle of Wight PO37 6PT

2024 saw a year of mixed fortunes on the pitch but continued development behind the scenes. Over the past few years, we have continued to upgrade all of our ground machinery, practice facilities, covers and pavilion. We are hosting more social events and obtaining more sponsors, and our financial position is looking secure. On the pitch, for the first time ever we fielded three teams on a Saturday. The 1st XI had a steady season in Hampshire League div 3. The league reorganisation in 2025 means a smaller league, with teams playing each other twice.

The 2nd and 3rd XI both endured difficult seasons as younger players were introduced to adult cricket, and both teams will play in the re-shuffled Isle of Wight Division 2 this year. It is a good sign that we are able to put out three teams on a Saturday, and with a few more players joining and returning to the Club, we hope to see a few more wins in 2025.

Our midweek, Sunday and Evergreens teams all had good seasons. Shanklin cricket ground remains one of the most popular destinations for opposing teams both from the mainland and the Island. The full fixture list for 2025 shows that we are as popular and busy as ever. There is always room for a new playing or non-playing member, supporter or volunteer at our Club so please come along and join us at Westhill.

## Specialist treatment for spinal, joint, muscle and nerve conditions.

#### Dr Luther Moss

After running a multidisciplinary health clinic in London since 2010, Dr Moss has moved back to the Isle of Wight and brings this experience of working with a wide range of health professionals to his new smaller practice in Shanklin. He provides treatment to patients suffering from acute or long term pain and those wishing to improve their overall health and sporting performance.
