“Welcome to”
Shanklin & Godshill Cricket Club
Westhill Road, Shanklin, Isle of Wight PO37 6PT

2025 was a very successful year for our Club both on and off the pitch. The highlight was undoubtedly the Saturday 1st XI winning Hampshire League Division 3, meaning that they will play in 2026 in Division 2B, just one level below Hampshire League first division. Some excellent individual performances, and a strong team spirit in an exciting league season, got the 1st XI over the line. At the same time, all other teams had good seasons. The 2nd XI continued to strengthen, and as a result were given a place in the Isle of Wight Division 1 for 2026. The 3rd team, in only their second full season, started to become more competitive and will be stronger again in the Isle of Wight Division 2 this year.

The Midweek and Evening XI's both had successful seasons and contributed to a growing social scene at the Club. The glorious summer meant that very few matches were affected by the weather. Behind the scenes, we remain in a good financial position, with more sponsors now coming on board, investment in substantial improvements in the Pavilion and ground machinery, and an increase in membership.

I took over as Chairman at the AGM in February 2026 and I would like to thank Andrew Trotter for his efforts over the past few years. He has had to juggle being Chairman with also being Groundsman and a team captain and we all appreciate what he has done for the Club. From a personal point of view, I joined Shanklin CC in 1997 and feel very fortunate to have taken over the Chairman role just at a time when the Club is really on the up. There have certainly been some bleak moments in the past, but the hard work and generosity of a number of passionate individuals, has left us in a strong position now. Over the winter, the bar has been renovated, we now have new sponsored covers, and plans for further work next winter. Westhill remains one of the best places to watch and play cricket. I hope to see you there this summer.

Jim Thorn
