

It's our job to protect your Investment.

In your busy and hectic lives, you may not always pay attention to routine home maintenance. We will remind and schedule all your home's maintenance, so you do not have to, just like the dentist! All routine visits include the latest in green and eco-friendly technology available for your home.

10% off all work, yes, all work! Repair, maintenance, replacements, all of it, you get an automatic 10% off all work

VIP Line Pass. A VIP Line Pass means you will have access to your own 24/7 Hotline for service at no extra charge. You will receive preferred treatment. That means you automatically jump to the front of the line for scheduling and you get next available time slot over non-members.

NO Cost Friendly Estimates and Evaluations. We will comp the service call on any electrical estimate or evaluation. (That's right, FREE of charge)
