The City has identified 10 focus areas to consider the development and redevelopment potential

Has your organization considered 1 or more of the focus areas as potential locations? Select all of the focus areas that apply.

What were or are your organization's biggest concerns about the actual or potential location in these focus areas?

Traffic has increased and the lighting is poor on Cartwright

No current major concerns

In your experience, what would make it easier for civic organizations to locate or relocate within Missouri City?

More opportunities to collaborate together and with the city. Not sure

We have not struggled. It may help to offer brief guidelines for approval processes: permits for signage, building additions, etc.
