Almost 5 years

# Why did you choose to live in Missouri City?

Looking for a new house in 2019, one of the main factor was the multiple ways to get to work, unlike the other options , like Richmond which only had westpark tollway, or katy that only had I-10

# What are your three favorite things about the Texas Parkway/Cartwright Road focus areas?

I have lived in this area for 28 years I decided to move here because the area is going and I wanted to be on this area Easy access

Very honest response would be nothing. I don't really go nowhere in those 2 streets. If I look for a restaurant I would go to Hwy 6, childcare don't have good reviews, etc.

I believe this area is accessible to a lot of things and other cities

# What are your biggest concerns about the Texas Parkway/Cartwright Road focus areas?

Too many smoke shops, nail salons. The area look very outdated. THE GAS SMELL

# If you left Missouri City today and returned in 5 years, what would you want to see developed or redeveloped along Texas Parkway/Cartwright Road?

City transportation and more restaurants

Main concern is the gas smell in the area, so I'd like for that to be resolved.

Facade improvements

Regulation on signage

More regulations on the design of stores, they look all over the place
