Now that I think about it, I suppose that most companies like this provide their workers with uniforms; however, that may not be the case for all companies. For example, at a large company like Microsoft, employees are often required to wear a specific outfit. The official uniform for the Dollar General Logowear Program can be found at this website. This webpage is no longer available, but can be found at the U.S. Department of State's logo website. [luxifoyu](#) Can Dollar General Employees Wear Shorts Or Ripped Pants To Work? [ajaco](#) No, You cannot wear shorts or pants that are below the knee. Women are allowed to wear shorts/jeans up to a certain point. Finally, I don't know if you were aware of this, but you can buy a lot of items without spending any money from your hand - that's called gifting. You can only wear loose fitting jeans that allow you to bend over without fear of showing your belly button. However, the sweatshirt must have the company logo, and cannot be a promotional item or an advertisement for any company. Are Piercings Permitted At Dollar General? In case you didn't know, a visible piercing is when you are showing something out of your body that could be distracting to customers. However, if you wear jewelry or piercing to be 'religious,' or because you consider the jewelry to be sacred, you may not be allowed to wear the jewelry at the store. Jewelry and tattoos like these can cause machinery to get caught in them. You should be careful about all of this when working in the distribution center. The process of using your credit/debit card to pay for your items is called *receiving money*, and is done when you leave the store. If your transaction is rejected after the receipt process, this means that your card was declined by your bank or credit card company. Can I Dye My Hair A Different Color As A Dollar General Employee? Various reports online indicate that Dollar General employees are able to dye their hair. If you dye any of those colors, you will not be in breach of the Dollar General dress code. There have been several comments on reddit stating that a 'normal hair color is permitted,' but I don't think this applies to all stores. For example, some stores will ask you to bring a note from your doctor, and I'm sure this was done to prevent the spread of illnesses. Which Types Of Shoes Are Not Permitted At Dollar General? If a sandal is open toed and made of plastic or another material, it is permissible as long as it is closed inside the store. You are allowed to wear socks or hosiery while you are riding and that is perfectly fine. There is also the rule that you not wear socks that are too tight or too long to be pulled over the shoes. Does Dollar General Allow Denim Clothing? You are wearing pants that are too tight and are also dirty with debris. Senior managers don't want you wearing clothing that doesn't have any style or that you find boring. They want you to have fun, so they don't want denim of any kind. Are Hats And Head Coverings Acceptable At Dollar General? If you do wear a kippah (yarmulke) or hijab, make sure it's completely covered. You are not allowed to wear jewelry or makeup as well. But if you're in the US and you're Muslim, you can't wear a hijab at a dollar store. Does Dollar General Allow Its Employees To Wear Visible Tattoos? While tattoos are still not allowed inside of the store. But, if the tattoo is covered they are considered acceptable. A tattoo may be worn at any time so long as it is not visible. You can also find out if this job requires any special certifications, whether the company has a drug-free workplace, and whether it provides tuition assistance. Conclusion Jewelry is legal but you have to wear it for a reason that is valid. If you are wearing it just for the fun of it or because you like it, you might not be able to wear it. If you are in a distribution center, you are allowed to wear jewelry - provided it does not get caught in the machines that are used to sort the product. If you follow Dollar General's guidelines, you will stay on the safe side as they provide you with the uniform which is safe to wear. There are some exceptions though. You should have a solid black polo shirt and black pants are not a requirement. You would look like a fool if you wore a white shirt and blue or red pants.
