

Theater Program: July 21-26

We are thrilled to offer a one-week theater program this summer for students in kindergarten through eighth grade. This intensive and engaging program provides a unique opportunity for children to explore their talents and build confidence through live theater. Our previous experience with this program was incredibly positive, and we're excited to bring it back!

From auditions to a full stage production in just one week, students will experience singing, dancing, and plenty of lighthearted fun—creating lasting memories and friendships. The program will take place the week of July 21–26, running Monday through Friday from 9:15 a.m. to 3:00 p.m. Rehearsal schedules will vary depending on assigned roles. In addition to daily rehearsals, students will participate in three workshops throughout the week.

Performances will be held on Friday, July 25 at 6:00 p.m. and Saturday, July 26 at 11:00 a.m.

Attendance at all rehearsals, workshops, and performances is required for participation.

The participant fee is \$300 per student and includes two performance tickets. For students enrolled in our full-time Summer Program during the week of July 21–25, the theater program fee is only \$25. Additional performance tickets may be purchased for \$5 each. Space is limited, so be sure to secure your child's spot by completing the registration form below.
