Where Motion Meets Care

FREE WEBINAR FOR HR & BENEFITS LEADERS

Benefits Are Not a Workforce-Health Strategy.

How long does it take your employees to get **the care they need?**

The Missing Link Between Benefits & Better Outcomes

Learn how to connect employees to healthcare in minutes—not weeks—to support productivity, efficiency, and better workforce outcomes.

**EMPLOYEE
NEEDS CARE**

MINUTES, NOT WEEKS

**APPROPRIATE
CARE**

**BETTER HEALTH &
PRODUCTIVITY**

WHEN ACCESS IS DELAYED

- Employees lose productive time navigating care
- Health issues can follow employees into the workday
- Available benefits may still be difficult to access when they're needed
- Delayed care can become a workforce-performance problem

WHAT YOU'LL DISCOVER

- Why offering benefits isn't the same as having a workforce-health strategy
- How **time-to-care** can affect productivity and efficiency
- How to connect employees with appropriate care faster
- Where virtual care and recovery support fit into a more effective strategy

YOU'LL RECEIVE (FOR ATTENDING)

1. Better Outcomes Readiness Checklist

2. 10 Questions Every HR Leader Should Ask

BONUS RESOURCES (WHEN YOU SCHEDULE A CALL)

3. 90-Day Better Outcomes Action Plan

4. Benefits to Outcomes Gap Assessment

5. Hidden Costs Calculator

How quickly can your health strategy help an employee?
